Predict Religious Awakening That the religious awakening which is sweeping Wales is to affect this country is the conviction of the religious leaders who speak in the official publication of the Young Men's Christian Association which was issued in New York this week. Dr. Charles E. Jefferson this week. Dr. Charles E. Jefferson says: "No one sensitive to spiritual atmospheres can fall to note the increasing signs of the approach of a great spiritual awakening. Among them are the wonderful revivals during the last year in England and in Wales and the indications of a great awakening in Scotland. Many Christiau workers in close contact with the people in scattered fields have had for months the impression shat a great change is at hand. The various denominations are pushing pression that a great change is at hand. The various denominations are pushing their evangelistic work and praying and working for a fresh baptism of the Spirit. The flood of intellectual confusion is abating. There have been oceans of negation. Now our work is to be constructive. The great facts of redemption will be proclaimed with an oldtime passion and power."

Dr. J. Wilbur Chapman, who leads the Presbyterian evangelistic work, says: "The revival spirit is deepening in our country with each day. I have not in all my ministry seen such awakening. I prophesy that we are on the eve of the greatest religious awakening the world has yet known."

A Good Shot.

Thirty-nine jack rabbits were killed Saturday night at one shot by Mrs. William Boyd, near Miller, S. D., who poked the barrel of her shotgun through poked the barrel of her shotgun through the kitchen window, The rabbits came to the farm in droves, nibbled the haystacks and played havoc with fruit trees. Boyd had shot many, and his wife bethim a pair of ear muffs against a barrel of apples that she could kill more rabbits at one shot than he could carry on his back at one load. Mrs. Boyd sprinkled a buthel of oats in a path. The rabbits gathered by scores until there was a long row of them eating oats in the bright gathered by scores until there was a long row of them eating oats in the bright moonlight. The woman fired, and her aim was accurate. Boyd loaded himself down with more than 100 pounds of dead rabbits, than sank into the snow and his wife had to help to pull him out. Mrs. Boyd has sold some of the rabbits. She will have the skins tanned to make a fur coverlet for the baby.

Police Powers of Conductors, Police Justice Crutchfield, of Richmond, gave an interesting ruling yesterday defining the police powers of street car conductors in the matter of clearing the tracks. He held that a conductor had the right to leave his car and lead from the track horses and vehicles obstructing the track, and that if the driver resisted he could and should place him health.

No More Stomach Troubles.

All stomach trouble is removed by the use of Kedol Dyspepsia Cure. It gives the stomach perfect rest by digesting what you eat without the stomach's aid. The food builds up the body, the rest restores the stomach to health. You don't have to diet yourself when taking Kodol Dyspepsia Cure. J. D. Erskine, of Allenville, Mich., says, "I suffered Heartburn and Stomach trouble for some time. My sister-in-law has had the same trouble and was not able to eat for six weeks. She lived entirely on warm water. After taking two bottles of Kodol Dyspepsia Cure she was entirely cured. She now cats heartily and is in good health. I am glad to say Kodol gave me instant relief."
